MEMORANDUM FOR: Colonel White

SUBJECT : Regulation [] - Social Security

25X1A

1. The Comptroller, the Office of Security, the Office of the General Counsel and the Office of Personnel have all concurred in a proposed change to the procedures established in Regulation No. [] This change would permit the reporting overtly of Social Security deductions for all personnel payrolled on vouchered funds under the Agency's policy for "Part Time and Summer Only Employment of Dependents of Agency Personnel." This procedure was to go into effect 1 July 1955 and requires the filing of an amended return on the new basis for the quarter ended 30 September 1955.

25X1A

2. Inasmuch as this is a deviation from the procedures outlined in Regulation No. [] the Office of the General Counsel has advised that prior concurrence by the Deputy Director (Support) would be necessary before the formal filing of the returns.

25X1A

3. Since action on the returns is needed before the formal publication of a change to the Regulation, the Deputy Comptroller has asked for your concurrence in principle so that the forms may be filed now and the Regulation amended later.

4. Your signature is recommended.
